Description

The World e-Governments Organization of Cities and Local Governments (WeGO) is an international cooperative body for cities and local governments that pursues sustainable urban development based on e-Government.

- WeGO offers cost-efficient and easy-to-use e-Government Tools to its members to help improve their e-Government systems.
- WeGO has been running the popular WeGO e-Government Training Program for WeGO members since 2011 in Seoul, Korea.
- WeGO provides consulting services in cooperation with IT consultants to help member cities assess their current e-Government status and draw realistic e-Government strategies.
- Pursuant to an ongoing partnership with the World Bank, WeGO has developed the cost-efficient and user-friendly "City e-Government Diagnostic & Solution Framework" (CeDS) toolkit with a focus on local government agenda.
- WeGO links members to international organizations, including the United Nations and the World Bank.
- The WeGO Awards is an international e-Government competition that culminates with the Awards Ceremony held in conjunction with the WeGO General Assembly.
