Description

Cast Info is a leading IT company based in Spain, but with a global vision. It is highly devoted to excel in customer satisfaction, flexibility, innovation and trust. Its broad experience and highly skilled organization allows them to offer customers from all sectors, solutions focused on creating added value and gain competitive advantage in the fields of Managed Services, Application Lifecycle Management, Big Data Analytics, Security and Process Automation. Besides being present in the most important economic sectors (banking, telecommunications, insurance, government, industry, health, services, information technology and media), Cast Info offers nationwide coverage from the major business and industrial centers of the country (Barcelona, Madrid, Valencia and Bilbao) and, thanks to the opening of several field offices over the last twelve years, international coverage in countries such as Chile, Portugal, Morocco, Mexico and Brazil.
