PARTNERSHIP

We are building an eco-system of Companies and organizations using MoreApp; with Partners who sell and integrate MoreApp and with Developers who create in-app purchase material. We are all supporting and depending on each stakeholder. The more forms a company uses the lower the price and the bigger the savings on money, paper and time. The more they use the more addicted get. By creating and maintaining an eco-system we help companies to add and share value and we also protect our market and partner network.
