Offer & Request

Partnership in research and entrepreneurship projects under Horizon2020

We offer cooperation for pilot testing of new technologies in products that are already on the market - mostly mobile applications. Further, we represent NGOs that develop the entrepreneurship ecosystem and the IT community in Bulgaria. In this role we could act as local partners for:

- Identifying early stage startups with big growth potential;
- Organization of events, trainings, conferences, hackathons, etc.;
- Carrying out activities for support of startups, technology transfer, etc.;
- Acting as local partners and contact points;
