- Thursday (4:00pm - 6:00pm)

Description

RealTerm Energy is North America's leading Municipal LED Street Light solution provider. With over 150 Cities as partners and partnered with 2 Municipal associations, RealTerm has completed more street light conversions than any other company in North America. As the smart city market transforms itself, RealTerm is wanting to diversify our current service offering and utilize Cities street lighting infrastructure as a means to deploy additional smart city infrastructure.
