Description

RateNow collects feedback from customers on the spot, in real time, through a digital survey displayed on a touch-screen. It is the fastest, most efficient and user-friendly tool to capture customer satisfaction. Our clients range from museums to shopping malls, hotels, sports clubs, clinics, cinemas and other public facilities.

Request

Investment, technical co-operation and sales collaboration

We are in an efficiency-tunning and growth stage and we are looking for financial investors believing in our project and willing to financially support us in our plan to develop new product features and increase our sales force.

We also need IT collaborators (with expertise in Scala and Mongo DB) in order to develop additional features.

Sales collaboration might also be an option in order to expand our presence faster in foreign markets.
