Cooperation Opportunity with the highest growing city in Indonesia (Bandung)

Bandung is the 3rd largest city in Indonesia with 2.4 million population. It is the highest growing city in Indonesia with 8.95 % economic growth in 2012. Currently the city is rapidly developing in the field of, among others, transportation infrastructure and smart city technologies. The municipality also opens opportunity for sister city, cultural, or export/import cooperation. The city just built the "Asia Africa Smart City Alliance" in 2015, following the

commemoration of the Asia Africa Conference in Bandung.
