Tenshi

Bilateral Meetings

- Wednesday (10:00am - 12:00pm)
- Thursday (10:00am - 12:00pm)

Description

Tenshi works for public sector and corporate clients enabling the early adoption of new technology and digital solutions in a way that reduces risk and delivers innovation. We partner with government agencies, university incubators, accelerators, funding organisations and entrepreneurial networks to enable the digital innovation. Tenshi also works for technology entrepreneurs, helping them with access to finance and support networks. Tenshi started in 2011 with a background in the digital creative industries but now covers technology innovation across a broad range of sectors including public service delivery, health and finance.
