- Wednesday (4:00pm - 6:00pm)
- Thursday (10:00am - 12:00pm)
- Thursday (2:00pm - 4:00pm)

Description

Bandwagon is a smart taxisharing solution for crowded transportation hubs, convention centers venues, and citywide mismatches in taxi demand and supply. As a passenger to passenger network, Bandwagon enables users to find others standing on line going in the same direction, saving passengers time, money and reducing their carbon footprint.

Bandwagon makes the taxi industry more competitive with TNCs like Uber with layer-on smart ride consolidation technology, offering improved customer service, affordability and efficiency. Bandwagon resolves curbside congestion and customer service pain points while reducing emissions through ride consolidation.
