2. Investment/Financing

Offer

Civic Engagement Platform

BARRIOS ACTIVOS allows the citizen to report problems and suggestions to the public services related to street lighting, road maintenance, green spaces, public safety, construction, taxes, public transport, public health and more, all of which are grouped in different categories.

These categories respond to themes, agents, needs and strategic objectives, with the aim of covering the different areas that constitute a city or town.

Keywords: App Civic Engagement Smart Cities Citizen Map Mobile Issue
