- Wednesday (12:00pm - 2:00pm)
- Wednesday (2:00pm - 4:00pm)

Description

SECE has already celebrated more than 100 years of effort, work and history, and its success is as valid as it was on the very first day on account. This approach has made it a leader in Spain. The 350,000 light points and the 80 municipalities managed guarantee, moreover, that it will continue working passionately and professionally to become a touchstone in the sector of lighting management and maintenance services, both on a national and international scale.
