MOBILITY

SUSTAINABLE CITY

Offer

Partnership opportunities in green technologies and electrical vehicles with Québec institutions

Québec is promoting a mission of research institutions and cities to the Smart City Congress in Barcelona in order to explore new avenues for cooperation in projects related to Smart City.

On a regular basis, the Government of Quebec launches incentive programs to foster this kind of R&D&i international collaborative projects amongst Quebec and foreign companies and institutions in areas such as green technologies or electrical vehicles (www.economie.gouv.qc.ca/psr-siiri)
